<b>IMPACT STATEMENT</b>	<p>Tswalu Kalahari Reserve's annual impact statement was developed in collaboration with The Long Run to calculate the cost of operating sustainably and to measure the positive impact on local communities and the environment. The blueprint for the impact statement was conceived by The Long Run in response to an increased demand among travellers for credible data around environmental issues, together with a desire for greener travel. By being transparent about where the money goes, we hope to provide our guests with a better understanding of the cost of conservation and what it takes to operate sustainably.</p> <p>Our story: <a href="https://tswalu.com/tswalu-releases-its-second-impact-statement/">https://tswalu.com/tswalu-releases-its-second-impact-statement/</a>  Our 2023 Impact Statement: <a href="https://bit.ly/4d2rkX2">https://bit.ly/4d2rkX2</a></p>
